State Project Presentations

North Dakota
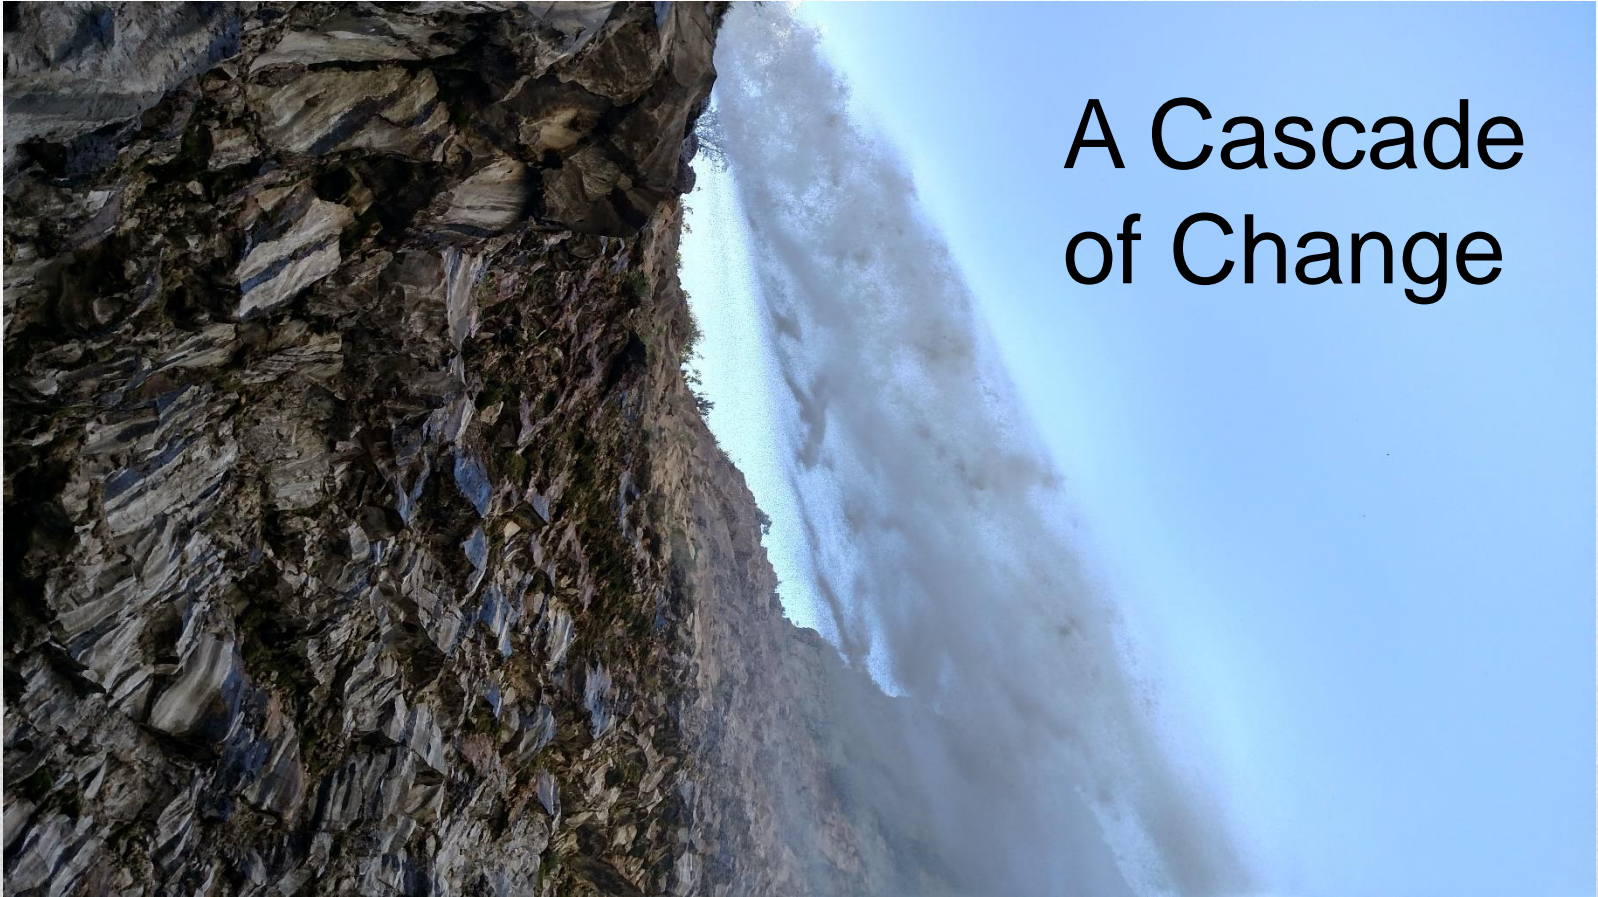

2017 MAGIC GIS Clearinghouse Summit

August 23 & 24

Starved Rock Park, IL

MAGIC

A Cascade of Change

GIS Hub Data Portal

- Based on DKAN
- DKAN is Drupal-based
- Open source
- Open data
- Responsive Design

GIS Hub Data Portal – Review

- NuCivic
  - Developed DKAN
  - Acquired by GovDelivery in December 2015
  - Choice of on-premises or SaaS: ND went with on-premises
- GovDelivery
  - SaaS only
  - Procurement hoops completed December 2016
  - Production (SaaS) in February 2017

GIS Hub Data Portal – Change

- Granicus
  - Merged with GovDelivery October 2016
  - Business as usual
- Civic Actions
  - Acquired DKAN June 2017
  - Drupal company
  - Will continue hosted service
  - Wants to be more focused and responsive
  - VP Public Sector – visiting sites

GIS Hub Data Portal – Change

- Expand users and usage
- Push into other areas, spatial and non-spatial
- Possible future – integrate into state's Drupal

GIS Hub Data Portal – Next Steps

GIS Hub Data Portal – MAGIC?
